

## **Cherry Willingham Parish Council Dog Order June 2013**

At the full council meeting in June 2013 the Cherry Willingham Parish Council made the following dog control order as authorised by sections 55 and 56 of the Clean Neighbourhood and Environment Act 2005.

Within the parish boundaries of Cherry Willingham all dogs must be kept on a lead whilst in public places. This means all public roads and some rights of way within Cherry Willingham.

If your dog defecates in a public area within the parish boundaries then it is the dog handlers' responsibility to pick up the faeces and either take them home or put in one of the dog bins situated throughout Cherry Willingham. There is an exemption for guide dogs only.

All dogs are banned from the Laburnum Drive playing fields and the St Pauls Avenue Play Area. There is an exemption for guide dogs and assistance dogs.

Failure to comply with any aspect of this dog control order will result in the issue of a fixed penalty notice which may lead to prosecution, which in turn may result in a maximum fine of £1000.

(This dog order was first publicised in the March Cherry News 2013.)

*Links to maps showing the areas where dogs are banned or may be off lead are included on this website. They can also be seen at the Parish Office.*
